ABOUT OUR FOOD

We will only ever serve food we would eat ourselves which is why we use the highest quality fresh ingredients sourced from our trusted local suppliers. These include R&J Butchers, Class One Fresh Produce, Craven Bakery and Tarbett's of Leeds for the freshest fish in the county.

We are also committed to reducing our carbon footprint. Local suppliers help here a lot but we also recycle over 70% of non-biodegradable packaging and will continue to make efforts to get this to 100%.
